Who is Unlimited Play?

Unlimited Play is an award winning nonprofit organization that builds universally inclusive playgrounds to promote health and wellness and change communities by providing freedom of play for ALL children. The transformational power of an inclusive playground brings kids and adults of all abilities together to play and learn from each other.

Unlimited Play is a 501(c)3 non-profit organization that helps to plan, design and build fully accessible playgrounds. Unlimited Play playgrounds allow all children – regardless of their abilities – to play together. A valuable resource in our community, Unlimited Play has unique expertise in this area and is available to assist in the development of inclusive playgrounds that promote dignity, understanding and respect among children. In 2016 Little Tikes Commercial and Unlimited Play announced a partnership to help provide the magic of outdoor play to children of all abilities.

Why do Playgrounds Matter?

Play is a critical part of the social, emotional, cognitive and physical development of every child. Unfortunately, the vast majority of playgrounds deny children with disabilities and critical illnesses the opportunity for exercise, entertainment, and social interactions which other children enjoy. In fact, only a small percentage of fully accessible playgrounds exist within our nation and these are insufficient to serve 43 million Americans with disabilities.

An **Inclusive Playground** is specifically designed to remove physical and social barriers so ALL children, with and without disabilities and/or critical illnesses, can play side by side with their peers and families.

To be located at Lathrop City Park in Lathrop, MO this will be a Unlimited Play inclusive playground honoring children of all abilities — a place where limitations will be forgotten and differences are celebrated!

Join us in the efforts to build this universally accessible playground.

Your generous support will enable ALL children and caregivers of all abilities the opportunity to experience the joys and benefits of play. This destination playground will truly impact ten thousand people each year.
