

Sertoma Legacy Playground in Sioux Falls, SD

A UNIVERSALLY ACCESSIBLE PLAYGROUND PROJECT

SPONSORSHIP OPPORTUNITIES

BROUGHT TO YOU BY:

Where limitations are forgotten, and
differences are celebrated.

Why do playgrounds matter?

Play is a critical part of the social, emotional, cognitive and physical development of every child. Unfortunately, the vast majority of playgrounds deny children with disabilities and critical illnesses the opportunity for exercise, entertainment and social interactions which other children enjoy. In fact, only a small percentage of fully accessible playgrounds exist within our nation and these are insufficient to serve 43 million Americans with disabilities.

An **Inclusive Playground** is specifically designed to remove physical and social barriers so ALL children, with and without disabilities and/or critical illnesses, can play side by side with their peers and families.

To be located in Sioux Falls, SD this playground will be an Unlimited Play inclusive playground — a place where limitations will be forgotten and differences are celebrated!

THE VISION

Mission Statement – Our Why

For nearly a century, the Sioux Falls Noon Sertoma Club has been dedicated to making our community stronger by serving others. Since 1929, our members have given their time, talents, and resources to enhance the quality of life for families in Sioux Falls through volunteerism, education, and support of projects that bring people together.

In the early 1990s, we built Sertoma Park, creating a place where families could gather, children could play, and neighbors could connect. That park has become a cherished part of our community's story. But today, we recognize that not every child or family can fully enjoy it. Too many children are left on the sidelines because traditional playgrounds were not designed with them in mind.

Our “why” is simple: every child deserves to play. Every family deserves to belong. We are re-imagining Sertoma Park as a vibrant, inclusive destination where people of all ages and abilities can experience the joy of play together. This new playground will feature accessible equipment, sensory-rich play experiences, safe and welcoming spaces, and thoughtful design that ensures no one is left out.

This project is about more than slides and swings. It is about dignity, connection, and belonging. It is about creating a place where a child who uses a wheelchair can finally play side by side with their friends, where grandparents with limited mobility can join their grandchildren on the playground, and where families of all backgrounds can gather and feel welcome.

By supporting this project, you are helping us carry forward a legacy that began nearly 100 years ago—building not just a playground, but a community where everyone has a place. Together, we can make Sertoma Park a beacon of inclusion, joy, and hope for generations to come.

What is Unlimited Play?

Unlimited Play is an award winning nonprofit organization that builds universally inclusive playgrounds to promote health and wellness and change communities by providing freedom of play for ALL children. The transformational power of an inclusive playground brings kids and adults of all abilities together to play and learn from each other.

Unlimited Play is a 501(c)3 non-profit organization that helps to plan, design and build fully accessible playgrounds. Unlimited Play playgrounds allow all children – regardless of their abilities – to play together. A valuable resource in our community, Unlimited Play has unique expertise in this area and is available to assist in the development of inclusive playgrounds that promote dignity, understanding and respect among children. In 2016, Little Tikes Commercial and Unlimited Play announced a partnership to help provide the magic of outdoor play to children of all abilities.

New Partners in Inclusive Play

Inclusion is not bringing people into a space that already exists. It is making a new space, a better space for everyone.”

~ George Dei

The Sertoma Legacy Playground is striving to create such a space in Sioux Falls, SD; a place where people of all ages and abilities will engage in healthy habits through outdoor play. The endeavor will require the support of the Sioux Falls communities, churches, businesses, foundations, clubs and families.

The playground is set to be situated within Sertoma Park. Your kindness, whether through financial contributions or generous in-kind donations, is facilitating the creation of much more than just an ADA-accessible park; it is fostering a welcoming environment that promotes inclusion, safety, community, and unity among all individuals.

Please consider donating in one of the following ways -

- 1. Support the community fund necessary for completing all elements of this park, which includes fencing, safety surfacing, and ample shaded seating areas.**
- 2. Sponsor a particular piece of playground equipment.**
- 3. Sponsor a shaded, accessible table section.**
- 4. Contribute your time and skills in the form of in-kind donations, such as specific building materials, equipment, and labor. We will have requirements in concrete work, land leveling, landscaping, and more.**

All in-kind donations will be reflected on a donor wall at the location.

If you're able to assist us in this manner, kindly reach out to a committee member directly.
